Application for admission to the doctoral examination

Dear Dean,

I hereby apply for admission to the doctoral examination according to §9 of the doctoral regulations of 17.10.2019 at the Faculty of Physics and Astronomy.

My dissertation was written at the chair _____ and supervised by Prof. Dr. _____.

I have chosen the form of the cumulative dissertation. I am aware that the persons with whom I have published cannot be used as reviewers and examiners in my doctoral procedure.

I have not submitted this dissertation in the same or any other form before in any other examination subject.

sincerely
