Application for recognition of a foreign academic degree and admission as a doctoral student

Dear Dean,

hereby I request admission as doctoral student according to § 7 Abs. 1 of the doctoral degree regulations of 17.10.2019 at the Faculty of Physics and Astronomy and recognition of my academic degree of _____ (*Master of Science/etc.*) as prerequisite for admission to doctoral studies. (academic degree that makes eligible to start a PhD in Germany)

I would like to write my thesis at the chair of _____ in the team of Prof. Dr. _____.
Please find attached a positive evaluation of my supervisor.

On _____ the University of _____ awarded me the academic degree _____ (*M.Sc./B.Sc./Dipl.-Phys./etc.*). (if applicable, list all other or further grades)

I have neither acquired other academic degrees nor have I pursued any.
(declaration according to §7 Abs. 1 (c) of the doctorate regulations from 17.10.2019)

Faithfully,

signature in original
