

Interim Evaluation

This is not a legally binding translation! It should only help in understanding.
Please do not hesitate to ask if you have questions.

The criteria of the interim evaluation must have been fixed in writing in the agreement according to § 5 para. 4. Basis for decision can be in particular:

1. number and quality of previous publications and papers accepted for publication, especially in peer-reviewed journals and books;
2. Lecture activity, in particular number of invited lectures and presentations at international conferences;
3. own projects and applications for third-party funding;
4. diverse fields of work or outstanding representation of a subfield;
5. Stays abroad;
6. awards and prizes;
7. teaching performance, in particular the implementation of the various courses provided and their resonance with students;
8. a public lecture in which the habilitand reports on the status of his/her work;
9. Participation in advanced training measures for university didactics.
