Application for admission as a habilitand candidate

Dear Dean,

with reference to §3 Para. 6 and §3 Para. 7 of the Habilitation Regulations for the Faculty of Physics and Astronomy of 22 March 2004, I hereby apply for admission as a habilitation candidate with the intention of acquiring the teaching qualification in the subject area _____.

A description of the scientific work planned in the habilitation procedure, including a list of the necessary equipment, is enclosed with the application.

Furthermore, I declare that I have not submitted a habilitation application to any other university and that no academic degree has been withdrawn from me.

I suggest Prof. Dr. _____, Prof. Dr. _____ and Prof. Dr. _____ for the mentorship.

Yours sincerely

(signature in original)

Enclosures:
