

Guideline for an application for a professorship at the Faculty of Physics and Astronomy at the University of Würzburg

Please send your application documents latest until the mentioned application deadline via email (as one pdf-document with max size 7 MB) to the email address berufungen@physik.uni-wuerzburg.de. You can send the record-sheet separately per email to the same address.

The complete application documents should contain the following documents:

1. Cover letter detailing your motivation to apply for the advertised professorship
2. Complete curriculum vitae with your scientific and professional career
3. Publication list
4. List of invited talks and lectures
5. Research and Teaching plan
6. Any kind of certificates starting at diploma or master
7. Summary (max. 1 page) of your own academic contribution in the area of the advertised professorship and a list of the 5 most important publications in the last 5 years
8. Record-sheet (as a form; separate pdf file)

Note: Please arrange your file to be submitted in the order of the application guideline (point 1-7) and send it in a pdf file with the following filename „firstname_lastname.pdf“

Encryption:

For data protection reasons, we recommend using PGP encryption for your application.

If you want to use this, please write an email with your contact details to berufungen@physik.uni-wuerzburg.de.

You will then receive the corresponding encryption code.
